

## Machine description

Ref.no. 1326

Manufacturer: Teach-in lathe COLCHESTER CNC-4000L

Manufact. year: 1987

Machine no. 31/0004A/00016

### Tekniska data

|                              |           |                                      |                |
|------------------------------|-----------|--------------------------------------|----------------|
| Centre height (mm):          | 260       | Spindle nose:                        | Camlock        |
| Centre distance (mm):        | 2000      | Motor power (kW):                    | 9,3            |
| Spindle bore (mm):           | 90        | Feed length/cross (mm/rev):          | 0,1-6000       |
| Control system               | FANUC 0TA | Rapid traverse (m/min):              | 6              |
| Swing over bed (mm):         | 535       | Tool changer (type/number of tools): | 4 läges/PARAT  |
| Swing in gap (mm):           |           | Tool holder (type):                  |                |
| Swing over cross slide (mm): | 370       | Machine measurement (LxWxH)          | 3700x1800x1800 |
| Spindle speed (rpm):         | 18-1600   | Machine weight (kg):                 | 4000           |
